# SOLAR PV & WINDPOWER DATA & DIGITAL INNOVATION FORUM

6-7-8 December 2021 Amsterdam Netherlands In-person & Virtual Event

# SOLAR PV & WINDPOWER DATA & DIGITAL INNOVATION VIRTUAL & IN-PERSON FORUM 2021 INTRODUCTION

Dear Patron,

The Global Solar PV & Windpower Data & Digital Innovation Forum is set to cover all aspects of big data and its impact on the solar & wind sector as well as identifying issues and challenges and providing potential solutions. It's a great opportunity for industry professionals to come together to-exchange the ideas, explore new thinking and help shape the development of the industry. The sessions are set up to be interactive for the attendees to get involved in the experience-sharing process and to tackle existing problems in real-time discussions.

We will cover a wide range of topics with many sessions exclusively dedicated to one2one networking and knowledge sharing and are partnering with leading organizations and companies at this conference to spotlight various industry challenges, success stories, and solutions which will help the participants to understand the current market dynamics and what is required to move forward efficiently and cost effectively.

Looking forward to meet you in Amsterdam.

Project Director Michael Harvy

WHO SHOULD ATTEND?

### Areas of responsibility:

- Photovoltaic
- Data
- Digital
- Digitilization
- Forecasting
- Performance
- Monitoring
- R&D
- 0&M
- Energy Assessment
- Asset
- Innovation
- Engineering
- Operation
- Information Technology
- Solar Resource
- Energy Services
- Analytics
- IoT
- Maintenance
- Hybrid Energy

- Wind Performance
- Resource Analysis
- Wind Data Analysis
- Wind Diagnostics
- Turbine Reliability Analysis
- Al and ML
- Turbine Health
- SCADA Operations
- Operations Performance
- Monitoring Center
- Condition Monitoring
- Wind Farm Data Analysis
- Wind Performance Optimization
- R&D
- IoT
- Digitalization

### **Representatives Invited:**

- Presidents
- Vice Presidents
- Directors
- Heads/Managers
- Engineers
- Group/Team leaders

### **Industry participating:**

- Wind Industry
- Energy companies
- Engineering companies
- Solution Providers
- R&D
- Information Technology
- software engineer
- chemical

### Terms and Conditions:

(3 and more people per pass)

By submitting this signed booking form, I agree that the following terms and conditions have been read thoroughly and the content is well understood.

### **Payment Conditions:**

Payment should be made in full immediately after submitting the signed booking form. Payment should always be made in Euros unless indicated otherwise. SPWD Forum accepts all kinds of credits cards. Although the preferred means of payment is credit card, in a few cases the bank transfer option may be allowed ONLY on condition that the payment is made within 10 working days upon receiving the proforma invoice. The fee of the event includes the possibility to download speakers' presentations, access to the conference hall & materials, refreshments, lunches and snacks. Each delegate will be responsible for their own hotel accommodation and travel expenses, however SPWD Forum will negotiate and offer the best possible hotel rates for its delegates in the same 4-star or 5-star hotel in which the event will take place.

### **Substitution Policy:**

Substitution of delegate(s) is possible at any time without any extra fees. Nevertheless, SPWD FORUM would need at least 3 days prior to the event to make arrangements for the substitute(s).

### **Cancellation Policy:**

Incase a delegate would like to cancel their participation for some unexpected eventualities, such requests must be submitted in written and sent by post 4 weeks prior to the event in order to obtain a full credit note for any future event organised by SPWD Forum. The fees charged are strictly non-refundable. If SPWD Forum would decide to cancel an on-going event, the delegate would receive a 100% refund of their payment. Non-attendance, otherwise referred as a "no show" does not signify cancellation. SPWD Forum will not be held responsible for events cancelled for reasons beyond its control such as natural disasters, accidents, sabotage, trade or industrial disputes, outbreak of disease, hostilities, terrorism, etc. However, a full credit note would be given in each of these cases.

### Data Protection:

SPWD Forum agrees to keep clients' information confidential in its database. The client gives SPWD Forum the authority to keep their information in its database and use the information in any way necessary in connection with the event, otherwise consent should be sought. Client information will be removed immediately after receiving a written request by post.

### PLEASE NOTE:

All booking forms submitted without a signature are considered invalid. SPWD Forum reserves the right to postpone the event to a later date or make changes to the location or confirmed speakers. If a client decides to cancel their participation for these reasons the client will receive a full credit note which covers the amount paid to attend any future event organised by SPWD Forum. The hotel information may not be provided at the time of booking but should be ready at least one month prior to the event. In such case, please bear with us.
